

NYS Fishing Regulations Game

Materials:

- Fish Cards (page 2)
- Regulation Cards (page 3)

Object of Game:

You are a member of the NYS Department of Environmental Conservation. It is your job to ensure people are following the fishing regulations for 2020. You will match the size of the fish and the number harvested to the correct species. Good Luck!

Directions:

You will need to print out the fish cards and the regulation cards. They are found on pages two and three.

Cut out each regulation card and fish card and place face down on a surface. Each player takes turns flipping the cards until the appropriate match of fish species to regulation is found. Continue until all matches are made!

Sea Robin

Winter Flounder

Blackfish (Tautog)

Black Sea Bass

Striped Bass

Monkfish

Weakfish

Porgy (Scup)

Bluefish

Fluke

Pollock
