

MARINE DEBRIS

SCAVENGER HUNT

See if you can find these objects around your home or at the beach. Then, cross off what does NOT belong at the beach or in the ocean.

Clam Shell

Food Wrapper

Bottle cap

Bird Feather

Sea Lettuce

Microplastic

Blue Mussel Shell

Plastic Bottle

Straw

Oyster Shell

Plastic Bag

Balloon

Glass Bottle

Piping Plover

Periwinkle Snail

Rockweed

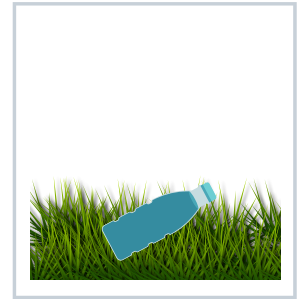

MARINE DEBRIS

Help keep our oceans healthy and debris free! Look at each scenario and put an "X" through the box of what the person should NOT do.

Scenario 1. This runner just finished his water bottle. What should he do? Find a recycling bin or throw it on the ground?

Scenario 2. This person just got a drink to cool off with on a hot day. Should she use a straw to sip it or no straw at all (or a cardboard straw instead)?

Situation 3. These kids are decorating for their friend's birthday. Should they buy lots of balloons that could fly away or choose other decorations that are equally as fun?
